End-User License Agreement

PLEASE READ THE FOLLOWING AGREEMENT CAREFULLY. IT CONTAINS VERY IMPORTANT INFORMATION REGARDING YOUR LEGAL RIGHTS, REMEDIES, OBLIGATIONS, LIABILITIES AND LIMITATIONS. BY CLICKING ON THE "I ACCEPT" BUTTON, YOU ARE ACCEPTING THE TERMS OF THIS AGREEMENT. IF YOU DO NOT AGREE TO ALL OF THE TERMS OF THIS AGREEMENT, YOU MUST NOT INSTALL, ACCESS OR USE THE SOFTWARE. IF YOU ARE ACCEPTING THE TERMS OF THIS AGREEMENT ON BEHALF OF A COMPANY OR OTHER LEGAL ENTITY, YOU REPRESENT, WARRANT AND COVENANT THAT YOU HAVE THE AUTHORITY TO BIND THE COMPANY AND ANY ADDITIONAL TERMS AND CONDITIONS OR OTHER AGREEMENTS.

This End-User License Agreement ("EULA") is a legal agreement between the Licensee and Licensor, as defined below, for the Software, as defined below, and for any Updates, Upgrades, Maintenance and Support, as defined below.

ARTICLE 1
DEFINITIONS

1.1 **Definitions.** The following terms, whenever used in this Agreement, shall take the respective meanings set forth below:

(a) "**Licensee**" or "**You**" means the End-User Licensee described as part of the Acceptance Procedure described in Section 2.1 below, and any successor and permitted assigns of such End-User Licensee.

(b) "**Licensor**" or "**Ipsum Technologies**" means Ipsum Technologies, Inc. and its successor and assigns.

(c) "**Ipsum Technologies' Partner**" means a third party that has the authority to perform and implement the Licensed Software, Maintenance and Support, and Upgrades and Updates, pursuant to a valid agreement between such third party and Ipsum Technologies.

(d) "**Intellectual Property**" means any and all tangible and intangible: (i) rights associated with work of authorship, including but not limited to, copyrights, moral rights, and neighboring rights, (ii) trademarks, service marks, trade names, and trade dress, (iii) rights associated with trade secrets, (iv) patents, patent rights, and patent applications, (v) industrial rights and rights associated with designs, (vi) proprietary information, know-how, and all other rights associated with intellectual property or proprietary information, (vii) all other rights, interests, and benefits in or arising out of the foregoing items, and (viii) all other rights, interests, and benefits in or arising out of the foregoing items, which in the case of (i) through (vii) above, are recognized in any jurisdiction.

(e) "**Licensed Software**" means any and all computer software in machine readable form, including all versions, releases, updates, and modifications thereof, and all related documentation, specifications, and other materials, and all copies of the foregoing items, which Ipsum Technologies or Ipsum Technologies' Partner may from time to time provide to Licensee, pursuant to this Agreement.

(f) "**Technical Documentation**" means any and all documentation, specifications, and other materials, in any form or media, which describe the functions, features, capabilities, or limitations of the Licensed Software, including, without limitation, any and all manuals, user guides, quick reference guides, and supporting documentation and materials, which Ipsum Technologies may provide or make available to Licensee from time to time during the term of this Agreement.

(g) "**Derivative Work**" means any work that is based upon one or more pre-existing works, such as a revision, modification, translation, abridgment, condensation, expansion, or any other form in which such pre-existing works may be recast, transformed, or adapted, and that, if prepared without the permission of the owner of the pre-existing work, would constitute a violation of the exclusive right of such owner to prepare derivative works.

(h) "**Confidential Information**" means any and all information, documents, and materials, regardless of the form or medium, that Ipsum Technologies or Ipsum Technologies' Partner has or will disclose to Licensee, or Licensee has or will have access to, in connection with the Licensed Software, Maintenance and Support, and Upgrades and Updates, which is proprietary or confidential in nature, including but not limited to, the Licensed Software and Technical Documentation, and/or is provided or developed, made available or accessed in anticipation of or during the term of this Agreement, and which is marked or identified at the time of disclosure as being confidential, or which Licensee should reasonably recognize as being confidential or proprietary.

(i) "**Maintenance and Support**" means any and all maintenance and support services that Ipsum Technologies or Ipsum Technologies' Partner may provide to Licensee pursuant to this Agreement.

(j) "**Updating Period**" has the meaning assigned to it in Section 10.2.

(k) "**Upgrades and Updates**" means any and all updates, upgrades, fixes, patches, Technical Documentation, enhancements, and other modifications, including without limitation, any and all subsequent releases, versions, or revisions of the Licensed Software, which Ipsum Technologies or Ipsum Technologies' Partner may from time to time provide to Licensee during the term of this Agreement.

(l) "**Licensee Data**" means any and all data, information, and materials, regardless of form or medium, which Licensee or any of its employees, agents, or contractors may provide or make available to Ipsum Technologies in connection with the Licensed Software, Maintenance and Support, and Upgrades and Updates, including without limitation, Confidential Information of Licensee.

(m) "**Licensee Systems**" means any and all computer hardware, software, networks, and other systems and equipment of Licensee that are intended to be used with the Licensed Software, and which are used by Licensee in connection with the Licensed Software, including without limitation, those that are used by Licensee to access the Licensed Software and to store and process Licensee Data in connection with the Licensed Software, and those that are identified from time to time in writing by Ipsum Technologies to Licensee as being part of the Licensee Systems for purposes of this Agreement.

1.2 **Interpretation.** For purposes of this Agreement: (a) the singular includes the plural, and the plural includes the singular; "or" is not exclusive; "including" and "other" are not limiting; and "or" and "any" are not exclusive. The words "herein," "hereof," "hereunder," and other words of similar import refer to this Agreement as a whole and not to any particular section or subsection of this Agreement. The section headings herein are for convenience only and shall not affect the interpretation of this Agreement.

ARTICLE 2
LICENSE GRANT, RESTRICTIONS, OWNERSHIP, ACCEPTANCE, FEES

2.1 **Grant of License.** Subject to the terms and conditions of this Agreement, Ipsum Technologies hereby grants to Licensee, and Licensee hereby accepts from Ipsum Technologies, a non-exclusive, non-transferable, non-sublicensable, limited license to use the Licensed Software and the Results of the Services (as defined in Section 3.1 below) in Licensee's ordinary business operations, in accordance with the terms and conditions of this Agreement, and in accordance with the Technical Documentation, during the term of this Agreement, solely in the form of executable object code versions of the Licensed Software and such Results of the Services, and for the number of authorized users, all as specifically authorized under this Agreement, including pertaining to any service levels, capacity limitations, and other limitations or restrictions set forth in this Agreement or in any exhibit to this Agreement.

2.2 **Restrictions.** You and your employees, agents, and contractors may not: (a) copy or duplicate the Licensed Software or any part thereof, except that you may make a single copy of the Licensed Software in machine readable form solely for back-up purposes in accordance with the Technical Documentation, provided that you must reproduce on such back-up copy all trade secret, proprietary rights, and other notices or legends that appear on the copy of the Licensed Software you are authorized to back up; (b) decompile, disassemble, or reverse engineer the Licensed Software, or permit others to do so; (c) modify, translate, or create Derivative Works based on the Licensed Software or any part thereof; (d) rent, lease, lease out, sublicense, resell, assign, or otherwise transfer or offer to transfer to any other person the right to use the Licensed Software in any manner; (e) remove any proprietary notices, marks, or labels from the Licensed Software or Technical Documentation; (f) use the Licensed Software in violation of any applicable law, rule, or regulation; (g) use the Licensed Software to infringe, misappropriate, or otherwise violate any Intellectual Property right or other right of any person, or to violate any applicable privacy or other rights of any person; (h) use the Licensed Software in any manner or for any purpose that is illegal, unethical, offensive, or obscene; (i) use the Licensed Software in any manner or for any purpose that interferes with, disrupts, or attempts to gain unauthorized access to the computer software, computer hardware, data, information, networks, and other systems and equipment that are used by Ipsum Technologies or any third party in the provision of services to any third party, in each case in any manner or for any purpose that is unlawful, or that would contribute to, encourage, or give rise to conduct that would be unlawful or otherwise actionable by any third party in any manner or for any purpose; (j) use the Licensed Software in violation of any applicable law, rule, or regulation in connection with the transmission of "junk mail," "spam," or other unsolicited bulk or commercial messages; (k) use the Licensed Software in any manner or for any purpose that infringes, misappropriates, or otherwise violates any Intellectual Property right or other right of any person, or that violates any applicable privacy or other rights of any person; and (l) use the Licensed Software in any manner or for any purpose that violates any law, regulation, or any rights of any person.

2.3 **Third Party Services.** The Software may allow the Licensee to access, use, or interact with websites, email systems, or other services, products, or materials that are not owned by Ipsum Technologies ("Third Party Services"). Ipsum Technologies has no control over, and shall not be responsible for, Third Party Services. Licensee's use of Third Party Services, and any exchange of data or other information between Licensee and any Third Party Service, is solely between Licensee and the applicable Third Party Service. Ipsum Technologies does not endorse, and is not responsible or liable for, any content, advertising, offers, or other materials on, or available from, Third Party Services. Licensee further acknowledges and agrees that Ipsum Technologies shall not be responsible or liable, directly or indirectly, for any damage or loss caused or alleged to be caused by or in connection with Licensee's use of, or reliance on, any Third Party Service or the content, advertising, offers, or other materials on, or available from, Third Party Services. Licensee's use of Third Party Services may be governed by and subject to the terms and conditions of such Third Party Services. Ipsum Technologies may, from time to time, make Third Party Services available to Licensee through the Software. Ipsum Technologies may add, delete, or modify the Third Party Services without any liability to Licensee.

2.4 **Ownership.** Ipsum Technologies and its licensors have and retain all Intellectual Property rights in and to the Licensed Software and Technical Documentation, and all Intellectual Property relating thereto, in perpetuity and throughout the universe.

2.5 **Acceptance.** Licensee shall be deemed to have accepted the Licensed Software and Technical Documentation, and the rights and licenses granted to Licensee in and to the Licensed Software, the Results and/or the Technical Documentation, and all Intellectual Property relating thereto, upon the earlier of:

(a) The Licensee gives written notice of acceptance to Ipsum Technologies or Ipsum Technologies' Partner;

(b) Licensee uses the Licensed Software or the Results for Licensee's ordinary business operations for more than 30 days after the initial installation of the Licensed Software or the initial provision of the Results to Licensee; or

(c) Licensee uses the Licensed Software or the Results for Licensee's ordinary business operations after the end of the applicable Updating Period.

2.6 **Fees.** In consideration for the rights and licenses granted to Licensee under this Agreement, Licensee shall pay to Ipsum Technologies or Ipsum Technologies' Partner the fees and other amounts set forth in the applicable Ipsum Technologies' Partner Proposal, Ipsum Technologies' Partner Order, or Ipsum Technologies' Partner Statement of Work, in accordance with the terms and conditions of such Ipsum Technologies' Partner Proposal, Ipsum Technologies' Partner Order, or Ipsum Technologies' Partner Statement of Work, and in accordance with the terms and conditions of this Agreement ("**Fees**").

ARTICLE 3
SERVICES

3.1 **Services.** Ipsum Technologies and Licensee may from time to time and during the term of this Agreement, enter into Ipsum Technologies' Partner Proposals, Ipsum Technologies' Partner Orders, or Ipsum Technologies' Partner Statements of Work, pursuant to which Ipsum Technologies or Ipsum Technologies' Partner may provide to Licensee certain services, including, without limitation, Maintenance and Support, and Upgrades and Updates, and other services, products, and materials, all as more specifically set forth therein ("**Services**"). Ipsum Technologies or Ipsum Technologies' Partner may, in its sole discretion, refuse to perform any such Services or cease to perform any such Services or cease to provide any such Services, or modify the Services, at any time without notice or liability to Licensee or any other person or entity.

3.2 **Maintenance and Support.** Ipsum Technologies or Ipsum Technologies' Partner may, in its sole discretion, from time to time and during the term of this Agreement, provide Maintenance and Support to Licensee, in accordance with Ipsum Technologies' Maintenance and Support Exhibit, which is attached to and made part of this Agreement.

3.3 **Upgrades and Updates.** Ipsum Technologies or Ipsum Technologies' Partner may, in its sole discretion, from time to time and during the term of this Agreement, provide Upgrades and Updates to Licensee, in accordance with Ipsum Technologies' Maintenance and Support Exhibit, which is attached to and made part of this Agreement.

3.4 **Performance of Services.** Ipsum Technologies and Ipsum Technologies' Partner shall perform the Services in a professional and workmanlike manner, in accordance with generally recognized industry standards for similar services, and in accordance with the terms and conditions of this Agreement and the applicable Ipsum Technologies' Partner Proposal, Ipsum Technologies' Partner Order, or Ipsum Technologies' Partner Statement of Work, and in accordance with the Technical Documentation, and all Intellectual Property relating thereto, in perpetuity and throughout the universe.

3.5 **Ownership of Results.** Ipsum Technologies and Ipsum Technologies' Partner shall own all right, title, and interest in and to all Results and/or the Technical Documentation, and all Intellectual Property relating thereto, in perpetuity and throughout the universe.

3.6 **Licensee Cooperation.** Licensee shall cooperate with Ipsum Technologies and Ipsum Technologies' Partner in connection with the performance of the Services, the Results and/or the Technical Documentation, and all Intellectual Property relating thereto, in perpetuity and throughout the universe, and shall provide such assistance as Ipsum Technologies or Ipsum Technologies' Partner may reasonably request from time to time.

ARTICLE 4
ACKNOWLEDGMENTS & COVENANTS

4.1 **Acknowledgments.** The parties agree that:

(a) Licensee is fully aware of the nature of the Software and the Results. The Licensee and its employees, agents, and contractors have the knowledge and skill to utilize the Software and the Results, and to utilize the Licensed Software and the Results to the benefit of Licensee, and to derive the benefit from the Software and the Results that Licensee desires and intends to derive from the Software and the Results, in accordance with the terms and conditions of this Agreement, and in accordance with the Technical Documentation.

(b) The Licensee agrees that it shall not sue Ipsum Technologies or Ipsum Technologies' Partners, and/or register any claim against Ipsum Technologies or Ipsum Technologies' Partners, for any alleged or actual infringement of any Intellectual Property right, or any other right, in the Software or the Results, or any other Intellectual Property or other right, which Licensee or any of its employees, agents, or contractors may have, or may claim to have, in the Software or the Results, except for such claims or registrations that are based on the express written grant of such rights to Licensee under this Agreement.

4.2 **Licensee Covenants.** The Licensee acknowledges and agrees that the operation and innovation of the Software and the Results involve complex technology and business processes, and that unforeseen results may occur in connection with the use of the Software and the Results. The Licensee acknowledges and agrees that it shall not, in its use of the Software and the Results, or in connection with the use of the Software and the Results by any other person or entity, or in connection with the use of any other product or service in which the Software and the Results are used or incorporated, or in connection with any claim against any third party, sue, register any claim against, or otherwise seek any compensation from, any person or entity for any loss, damage, or injury of any kind or character, or any lost profits or other economic damages, in connection with any such unforeseen results.

4.3 **Licensee Data.** Licensee represents, warrants, and covenants that it shall own or otherwise have all rights in and to the Licensee Data that are necessary for Licensee to grant the rights to Ipsum Technologies under this Agreement. Except for anonymized and aggregated data that Ipsum Technologies may collect and use in connection with the Services, Ipsum Technologies does not own any Licensee Data. Except for anonymized and aggregated data that Ipsum Technologies may collect and use in connection with the Services, Ipsum Technologies shall not collect, share, or use any Licensee Data except as expressly permitted by this Agreement, or as required by law. For purposes of this Section, "Ipsum Technologies" means Ipsum Technologies and its subsidiaries and affiliates.

4.4 **Aggregated Data.** Ipsum Technologies may collect, use, and disclose anonymized and aggregated data derived from Licensee's use of the Software and the Results, or from Licensee Data, for any purpose, provided that such data does not include any personally identifiable information of Licensee or any Licensee employee, agent, or contractor.

4.5 **Licensee Systems.** Licensee is responsible for all Licensee Systems, and for the security of Licensee Systems, and for the security of Licensee Data while it is in Licensee Systems, and for the security of Licensee Data while it is being transmitted to and from Licensee Systems.

4.6 **Compliance with Laws.** Licensee shall comply with all applicable local, state, and federal laws in connection with its use of the Software and the Results, and in connection with its use of the Licensed Software and the Results, and in connection with its use of the Licensed Software and the Results by any other person or entity, and in connection with its use of any other product or service in which the Software and the Results are used or incorporated, or in connection with any claim against any third party, Licensee shall comply with all applicable local, state, and federal laws, including without limitation those laws related to data privacy, international communications, and the transmission of technical or personal data.

ARTICLE 5
INTELLECTUAL PROPERTY

5.1 **Licensee Data.** As between the parties, Licensee owns all right, title, and interest in the Licensee Data.

5.2 **Licensee's Use of Licensee Data.** Licensee hereby grants to Ipsum Technologies and Ipsum Technologies' Partner a non-exclusive, royalty-free, fully paid-up, worldwide, sublicensable, transferable, and assignable license to use the Licensee Data in connection with the Licensed Software, the Services, the Results and the Technical Documentation, and all Intellectual Property relating thereto, in perpetuity and throughout the universe.

5.3 **Ownership of Results.** The parties agree that:

(a) Ipsum Technologies and Ipsum Technologies' Partner shall own all right, title, and interest in the Software, the Results and the Technical Documentation, and all Intellectual Property relating thereto, in perpetuity and throughout the universe, including, without limitation, any and all Intellectual Property relating to any Derivative Work of the Software, the Results and the Technical Documentation, and all Intellectual Property relating thereto, in perpetuity and throughout the universe.

(b) The Licensee shall execute such assignments and other documents as may be requested by Ipsum Technologies or Ipsum Technologies' Partner from time to time in order to perfect, record, or enforce such rights, and the Licensee hereby irrevocably grants to Ipsum Technologies and Ipsum Technologies' Partner a power of attorney to execute such assignments and other documents on behalf of the Licensee, which power of attorney is coupled with an interest and shall survive the termination of this Agreement.

5.4 **Feedback.** The Licensee acknowledges and agrees that the operations and academics of the systems and services that are the subject of the Software and the Services are complex, and that Ipsum Technologies and Ipsum Technologies' Partners may, from time to time, have questions or comments or suggestions for the Licensee or other users of the Software and the Results with respect to the operation of the Software, the Results and/or the Licensed Software. The Licensee acknowledges and agrees that it shall provide such feedback, and such other information and assistance, as Ipsum Technologies or Ipsum Technologies' Partner may request from time to time, and that such feedback, information, and assistance shall be provided to Ipsum Technologies or Ipsum Technologies' Partner free of charge, and that Ipsum Technologies and Ipsum Technologies' Partners shall own all Intellectual Property relating to such feedback, information, and assistance, in perpetuity and throughout the universe, and that Ipsum Technologies and Ipsum Technologies' Partners may use such feedback, information, and assistance for any purpose in connection with the Software, the Services, the Results, the Licensed Software, and the Technical Documentation, and all Intellectual Property relating thereto, in perpetuity and throughout the universe.

ARTICLE 6
CONFIDENTIALITY

6.1 **Confidentiality.** Licensee shall: (a) hold the Confidential Information in strict confidence; (b) not disclose the Confidential Information to any other person or entity; (c) not copy, reproduce, sell, or transfer the Confidential Information to any other person or entity; (d) not use the Confidential Information for any purpose other than as expressly permitted by this Agreement; (e) not reverse engineer, disassemble, or decompile any tangible or intangible embodiment of the Confidential Information; (f) not make any Derivative Works of the Confidential Information; (g) not remove any proprietary notices, marks, or labels from the Confidential Information; and (h) not make any Confidential Information available to any other person or entity that Licensee has not authorized in writing to have access to such Confidential Information.

6.2 **Exceptions.** Your obligations set forth in Section 6.1 shall not apply with respect to any portion of the Confidential Information that: (a) is or becomes generally available to the public other than as a result of a breach of this Section by Licensee or any other person who has an obligation of confidentiality with respect to such Confidential Information; (b) Licensee can show was in its possession or was known by it prior to its receipt from Ipsum Technologies or Ipsum Technologies' Partner; or (c) Licensee can show was lawfully obtained by it from a third party who is not in breach of any obligation of confidentiality with respect to such Confidential Information.

6.3 **Compelled Disclosure.** Nothing in Section 6.1 shall prohibit Licensee from disclosing any of the Confidential Information to the extent Licensee is compelled to disclose such Confidential Information by a valid order of a court or other governmental body having jurisdiction over Licensee, provided that Licensee shall: (a) promptly notify Ipsum Technologies of such compelled disclosure in writing prior to making such disclosure; and (b) cooperate with Ipsum Technologies and its respective agents and contractors to minimize the disclosure of the Confidential Information in connection with such compelled disclosure.

6.4 **Injunctive Relief.** Licensee shall be entitled to seek injunctive relief in connection with any actual or threatened violation of its obligations under this Section 6 in any court of competent jurisdiction, in addition to any other rights and remedies it may have at law or in equity.

6.5 **Return of Confidential Information.** Upon the termination of this Agreement, Licensee shall: (a) cease and desist from any further use of the Confidential Information; and (b) return to Ipsum Technologies or destroy all copies of the Confidential Information in its possession or control.

ARTICLE 7
INDEMNIFICATION

7.1 **Indemnification.** You shall indemnify, defend, and hold harmless Ipsum Technologies and Ipsum Technologies' Partners and their respective officers, directors, employees, contractors, and agents (collectively, "**Indemnified Parties**") from and against any and all claims, losses, liabilities, damages, and expenses (including reasonable attorneys' fees and costs) arising out of or in connection with: (a) your breach of any representation, warranty, or obligation under this Agreement; (b) your violation of any law, rule, or regulation, or the rights of any third party; (c) your use of the Software or the Results; (d) your use of the Licensed Software or the Results; (e) your use of any other product or service in which the Software and the Results are used or incorporated; (f) any claim against any third party; (g) your Licensee Data; (h) your Licensee Systems; (i) your infringement of any Intellectual Property right or other right of any person or entity; (j) your violation of any applicable law, rule, or regulation in connection with the transmission of "junk mail," "spam," or other unsolicited bulk or commercial messages; (k) your violation of any applicable law, rule, or regulation in connection with your use of the Software or the Results; (l) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Software and the Results are used or incorporated; (m) your violation of any applicable law, rule, or regulation in connection with your use of the Licensed Software or the Results; (n) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (o) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (p) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (q) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (r) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (s) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (t) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (u) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (v) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (w) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (x) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (y) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (z) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (aa) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (bb) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (cc) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (dd) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (ee) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (ff) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (gg) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (hh) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (ii) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (jj) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (kk) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (ll) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (mm) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (nn) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (oo) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (pp) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (qq) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (rr) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (ss) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (tt) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (uu) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (vv) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (ww) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (xx) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (yy) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (zz) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (aaa) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (bbb) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (ccc) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (ddd) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (eee) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (fff) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (ggg) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (hhh) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (iii) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (jjj) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (kkk) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (lll) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (mmm) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (nnn) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (ooo) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (ppp) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (qqq) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (rrr) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (sss) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (ttt) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (uuu) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (vvv) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (www) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated; (xxx) your violation of any applicable law, rule, or regulation in connection with your use of any other product or service in which the Licensed Software and the Results are used or incorporated;
