

REQUEST FOR PROFESSIONAL DEVELOPMENT LEADERSHIP TRAINING

Dear _____,

I would like to request funding to attend Elevate Aviation's 2023 Leadership Masterclass in Hockley, Ontario from April 27-30, 2023.

This masterclass is open to 50 women across Canada and focused on leadership skills development and growth. Throughout the weekend there will be guest speakers from aviation professionals, business executives, and a certified mindset and business coach who will cover topics such as how to shift your mindset to make meaningful change in corporate culture, how to improve your confidence as a female leader in a male dominated industry, how to level up your leadership style, effective negotiation skills, and more.

Additionally, the opportunity to attend the program with 50 like-minded women is invaluable in gaining new connections, inspiration, and resources.

Elevate Aviation is a non-profit organization based out of Edmonton, Alberta, with a goal to create a shift in the aviation industry that promotes gender balance. They encourage women to pursue careers in the aviation industry and provide a platform for women to thrive and succeed. Through the Elevate Aviation Learning Centre, they offer annual masterclasses on leadership taught by executive business coaches to help women gain the skills needed to develop their leadership skills and advance in their careers.
